

Grundisburgh Village Hall

Wedding Reception Venue information

Introduction

Grundisburgh's new Village Hall is an excellent venue for Wedding Receptions with its wonderful hall and new bar and kitchen facilities. In its first year of opening we have already had a number of successful wedding receptions held here.

Facilities

The hall has car parking for 50 cars, plus a large lawn area to the south with two sets of double doors opening out onto a patio.

The hall has an impressive, vaulted ceiling being over 7m (20 ft) at its highest point. At its longest/widest it is 12.8m (42 ft) by 17.9m (60 ft) and has a floor area of 188 sq m (over 2,000 sq ft). It has a recessed area which many people use for the location of the Top Table and two sets of double doors which open onto a patio area and a large grassed area.

We have put numerous hooks in the wall at the top of door height which can be used to decorate the hall with your own bunting etc.

There is a large kitchen and separate bar both of which open onto the hall for serving food and drinks. The kitchen is not a "professional" kitchen but outside caterers we recommend (see below) are familiar with the facilities and bring their own equipment to cater for a wedding (and also cutlery and crockery).

We have 150 chairs (you need to hire your own tables) and a modern hifi system which can be used to play music or for speeches.

There is a separate room of around 30 sq m (300 sq ft) which is included in the hire and can be used for storing wedding presents.

There are men's and women's toilets and also a disabled toilet.

Recommended Caterers

We have two recommended caterers who have been used by a number of people and who have received very good feedback from hirers of the hall.
